

REQUEST FOR EXPRESSIONS OF INTEREST (REOI) (CONSULTING SERVICES)

Albania

Albanian Development Fund (ADF)

Project for Integrated Urban and Tourism Development (PIUTD)

IBRD Loan No: 8656- ALB.

Project ID Number: P155875

Issuing date: July 21, 2017

Assignment Title: Supervision services for fast-track subproject in urban upgrading and infrastructure improvement (Berati and Permeti)

Reference No. AL-ADF-21341-CS-CQS

The Government of Albania has received financing from the World Bank toward the cost of the **Project for Integrated Urban and Tourism Development (PIUTD)**, and intends to apply part of the proceeds for consulting services. The consulting services (“the Services”) include **“Supervision services for fast-track subproject in urban upgrading and infrastructure improvement (Berat and Permet)”**

The required services will include the supervision of Works contracts for the following fast-track subprojects:

- (1) Berat Rehabilitation of cobblestone road to Berat castle "Mihal Komneno".
- (2) Berat Upgrading of vehicle access road to Berat Castle “Muzak Topia”
- (3) Permet Street and monument lighting in historic center

The Consultant is expected to be proactive in identifying optimal solutions to reach the objectives of this contract and to identify any additional tasks and activities, which are desirable or necessary for the successful implementation of this assignment. It is up to the Consultant to prepare his own detailed organisation and methodology including all relevant particulars for all activities to ensure that they fulfil the general and specific requirements described in these Terms of Reference. In all tasks, the Consultant should follow the application of the World Bank Group Environmental Health and Safety Guidelines applicable to civil works.

Albanian Development Fund (ADF), now invites eligible consultants (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

This assignment will be carried about by a consultant company. The Consulting Company should be able to provide in original or legal certified version, valid professional licenses for supervision. The Consulting Company should have at least 8 years of experience in the area of Construction Management (supervision of public infrastructure).

The Consultant shall provide an experienced construction supervision and contract administration team with proven technical and managerial competence and experience in the supervision of construction works under World Bank Conditions of Contractor and Albanian Legislation or internationally recognized contract conditions used by IFI's. The working language of the project is English and Albanian language. All the team members assigned by the Consultant must possess proficiency in English language.

Key staff shall include but not limited to the following:

Team Leader (“Supervisor's Representative”) with minimum 10 (ten years) experience working in design and supervision of similar projects and minimum 5 (five) years experience in working in the position of Team Leader/Resident Engineer/Engineer Representative/Supervisor's representative in service contracts in charge of supervision of works contracts for construction or reconstruction of infrastructure projects related to roads, and urban infrastructure,
